LLOYD C. COLVIN

PRESIDENT'S MESSAGE

3300 Linda
Amarillo, Tx. 79109
806/352-7676

Christmas 1983 is nearly here. I have always wondered why the spirit of this joyous season was not extended throughout the entire year. What a world we would live in.

Silver and gold prices have been in a slump recently and I believe that this is the right time to visit your local coin shop, browse and possibly pick up that right Christmas gift at a reasonable price.

This year has brought many new faces in the coin hobby. Your club should be helping those individuals, and perhaps at the same time pick up a new member in your local club as well as a prospective new member for TNA. New members bring new ideas and we all should be receptive to fresh approaches.

Our 1st vice president, Lyman Bartee, is still not up to par. Your TNA Board really missed him at the meeting in Austin. We in TNA have had many of our friends ill this year and I know they have appreciated those get-well cards you've been sending. Joe B. Davis, TNA's first president and presently District 8 governor, is recuperating at home from his heart attack. Get well soon Joe!

TNA is blessed with so many nice, conscientious people. What an organization! Your president wishes a very special thank you to Miriam Gilmore, our **TNA NEWS** editor, Eleanor and Mac Kennady, Lyman Bartee, Gerald Kendall, our TNA governors and appointed officers. Thanks for your dedication. And to our entire membership, thanks for your devotion.

From Margaret Ann and me, may your Christmas be the finest ever, may your family and friends enjoy top health and happiness and may you extend that joy to all those you know and meet. MERRY CHRISTMAS — HAPPY NEW YEAR — MAY GOD BLESS!

1984 TNA CONVENTION — May 4, 5, 6

AMERICA'S FIRST CHRISTMAS
. . . as told with U.S. paper money

By Charles A. Wingo - Denison, Texas

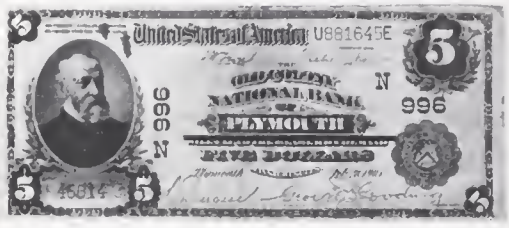
Money talks! And paper money says it best!

Let's journey to the past to America's first Christmas.

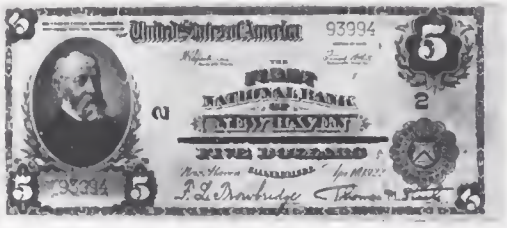
A few years ago, I was looking through my United States paper money collection and noted the possibilities of using certain selected notes to tell a Christmas story - an American story.

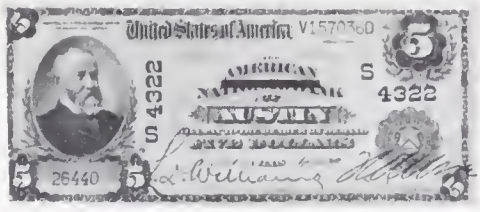
Recalling some of the notes that might contribute to such a story, I assembled them and, using names, legends and pictures appearing on them, developed a fictional story based on fact, which I called "America's First Christmas As Told With U.S. Paper Money."

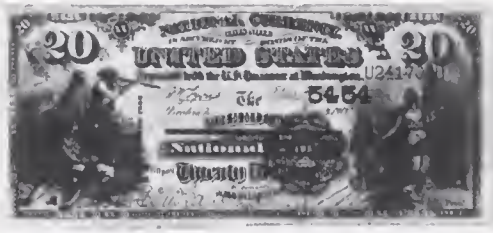
The story is early **AMERICAN,** and begins when the **PILGRIMS** landed at Plymouth Rock. There, they founded the colony of **PLYMOUTH.**

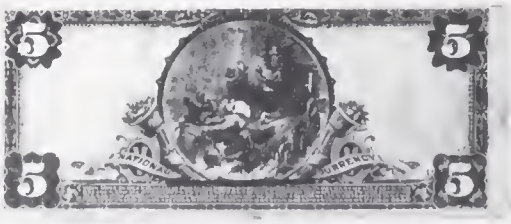


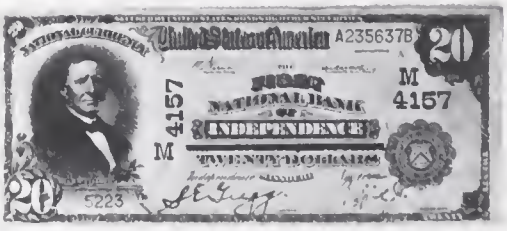
They had come to America to seek a **NEW HAVEN** where they could enjoy more **FREEDOM** and **INDEPENDENCE** from England and **LIBERTY.** They became the **PIONEERS** of America.

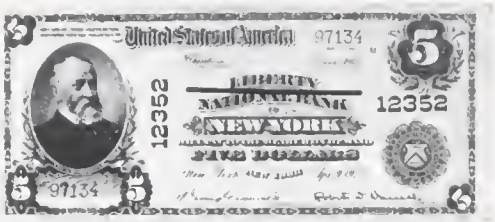


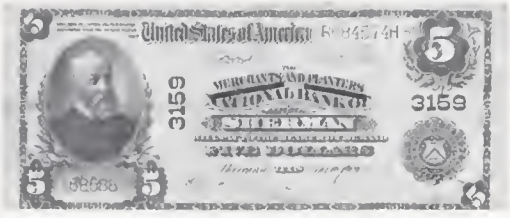




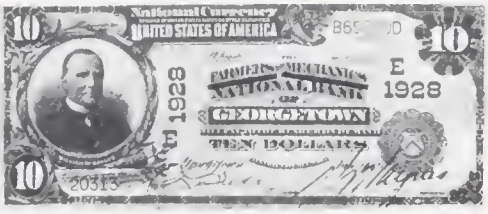






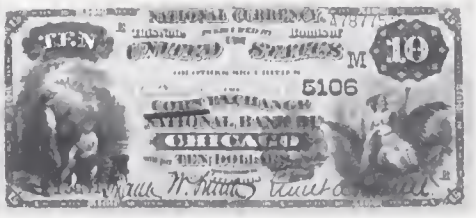


Survival was their first great problem because they had to quickly hunt for food, provide cover and protection, prepare land for growing crops and try to make friends with the **INDIANS.**

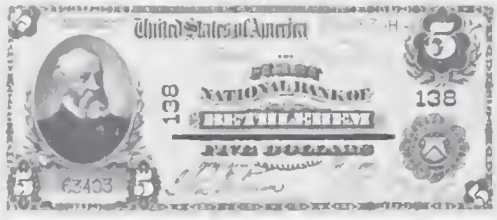


Individual needs were provided by exchanging available items among themselves. **CORN** was often used as a medium of exchange. One group cut trees, made **LUMBER** and built community housing.

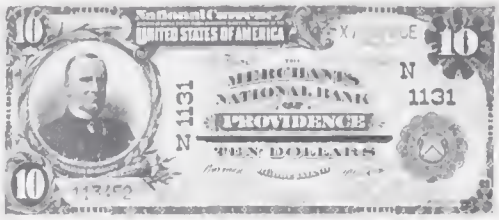
Some became **BUFFALO** hunters to obtain hide and **LEATHER** for food and clothing. Some became **MERCHANTS** and some worked as **PLANTERS.** Many were **FARMERS** and a few **MECHANICS** kept the equipment in good repair.



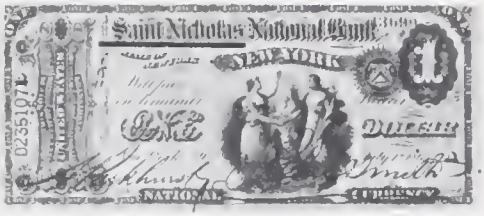
After undergoing many hardships, these hardy pioneers prepared to celebrate their first Christmas in America. On Christmas morning, **FROST** was in the air as they gathered together to celebrate the birth of Christ in **BETHLEHEM.**



Those present expressed their continued faith in the **PROVIDENCE** that brought them here and protected them, and proclaimed **"IN GOD WE TRUST."**



This merry first Christmas closes with jolly **SAINT NICHOLAS** distributing gifts to one and all.



I hope my paper money Christmas story leaves you with a smile on your face and that, as you celebrate an American Christmas this year, jolly Saint Nicholas will visit you, too!

SPECIAL EXHIBIT AWARDS FOR TNA

Exhibitors at the Texas Numismatic Association 1984 convention in Amarillo will be competing in 10 categories plus several special divisions. The convention will be held May 4, 5, 6 at the Civic Center hosted by Amarillo Coin Club.

Special awards include the JOE B. DAVIS AWARD for the best exhibit featuring Mexican coinage (excluding medals, tokens, paper money); the L.G. DAVENPORT NUMISMATIC ERROR AWARD for the best in mint errors; and the RICHARD H. SCHWEERS AWARD for best exhibit of coins prior to 1500 A.D. The latter award is provided by Greater Houston Coin Club in memory of one of the club's esteemed members.

DEAR SANTA —

As Jolly Saint Nick flies from rooftop to rooftop on Christmas eve, he's not likely to miss anyone, especially Norma, Eleanor, Karla, Howard, George and Lloyd. Our numismatic friends worked on their "want list" early this year!

We asked 12 of our TNA members -"What numismatic 'goodie' would you like to find in your Christmas stocking come Christmas morning and why?" Special thanks to those who answered. . .

* * * * * *

Norma Mather of Weslaco is all excited about the holiday. "If I found not just one, but three, little gray coins in XF-AU condition Christmas morning, or any time, I'd be tickled. My series of 'Our First Nickel' would be ready to prepare for exhibiting. That's something I've dreamed about for years but haven't found the 3¢ nickels I want in the condition I want. Those are the 1879, 1880 and 1882 coins that have seen **some** circulation. I'll keep looking and hoping.

"Meantime - Best wishes to all for the Holidays and the future. May **your** dreams come true."

* * * * * *

Eleanor Kennady of Austin sure hopes Santa reads her letter and fills her Christmas stocking! She writes- "What a great idea! Here is my Christmas wish: I want a stocking full of travels to faraway places in search of coins. I'd like a trip hanging from each bough of the Christmas tree, and under the tree I'd like to find a nice metal detector.

"The really super trip I want is to Singapore and Hong Kong and then trips to all of Texas and surrounding states. Even if I never found a coin, just think of all the places I would get to see! A Merry Christmas to all."

* * * * * *

Dreaming of a super special Christmas, Karla Galindo of San Antonio writes - "As Santa makes his yearly visit to San Antonio, there is one very special numismatic surprise I'd love for him to leave in my stocking. It's an item Frank and I would really like to have in order to exhibit it. Santa may have difficulty filling my request because there were only 8,000 of these tokens struck, but I'd really like to have a Jose Antonio de la Garza 'Jola' of 1818, struck here in San Antonio.

"How thrilled I would be to find this little 'goodie' on Christmas morning. **OH, SANTA, PLEASE HEAR MY PLEA!!** Merry Christmas to all!!"

* * * * * *

Howard Luke of Fort Worth has a tall Texas order for Santa to fill - "Christmas 1983 Wish List!!! What

Numismatic 'goodie' would I like? Wow!!! The whole Red Book is an open book. I like Morgan dollars, Liberty Walking halves, Standing Liberty quarters, Mercury dimes, etc., etc. Now let's see, what dates? 1893S, 1938D, 1916 and also overdates. How about any one of the above? You match the dates with the coins I would like to have . OK, OK, I'll help you. 1893S is a real good date on quarters, but wrong one, how about half dollars? Nope, wrong again. Got to have the Morgan $ - MS60 - yea!

1938D could be a dime, but I'm not too interested. Not much interested in the quarter either. How about the half dollar - yeah! I've only seen one 1916 Standing Liberty quarter (MS60) and wanted it immediately. Don't think I'll ever get it though. Now overdates don't generally send me but that 42/41 dime. I love it - beautiful. That's my choice, MS60 or up. Any one who wants to send me one will make me **VERY HAPPY.** (P.S. How about a TNA medal set or a bronze single? That turns me on too!)"

* * * * * *

They say "Tis the time to be jolly on the Yuletide Eve," so give a listen to this, St. Nick. George Johnson of Garland wants a coin in his stocking. "A coin in my stocking is what I wish for, and here are the clues, so you know what to do:

1. It is the first of its kind to be struck by our mint.
2. It was struck one year before date on the coin.
3. It has the name of a person with its denomination.
4. Our government donated the silver for the coin.
5. The coin was struck in honor of an event on foreign soil.
6. Fourteen thousand that no one wanted were melted.

"Are you listening, St. Nick?"

ANSWER: LAFAYETTE DOLLAR

* * * * * *

And we hope Santa can grant this on Christmas morning. Lloyd Colvin in Amarillo wants his Christmas stocking **FILLED** with TNA MEMBERSHIP APPLICATIONS!

* * * * * *

In June of 1963, Valentina Tereshkova of the Soviet Union, was the first woman astronaut to enter space. She orbited the earth 48 times in three days. She later won a place on the Communist Party's powerful Central Committee.

In 1981 she was honored on a new Soviet coin. The obverse of this one ruble coin shows Tereshkova in her spacesuit, and the reverse shows the emblem of the Soviet Union.

Sorry, Sally Ride, but in the United States circulating coins generally honor the dead. They are usually struck on the recommendation of the Director of the United States Mint, Congress or the Secretary of the Treasury.

Before the smoke cleared, Chet and company testified on three separate occasions.

DISTRICT XIII —

In spite of threatening weather 25 members were present for the regular meeting of **Wichita Falls Stamp & Coin Club** on October 20.

Plans were made for the annual Christmas dinner party to be at Luby's Cafeteria December 15. A report from the nominating committee was heard and election will take place at the November 17 meeting. A committee was appointed to consider plans for a stamp show possibly in March. Logan Essex, TNA District 13 governor, reported on the Board meeting held in Austin at which time plans were presented for approval on TNA's participation on the 1986 Texas Sesquicentennial celebration.

Carolyn Wilson, program chairman introduced Norm Mannion, longtime club member, who told that he had been collecting stamps for 53 years and how he accidently was introduced to the hobby by a man who was helping with a stamp show. This opened a new world to him and he avidly accumulated stamps from every source he learned about. He collected stamps in countries where he served in the military during World War II. After returning to civilian life he began collecting more discriminately and chose special fields which included stamps of Lichenstein, Israel, Ireland and Vatican City, and also stamps that depict subjects relating to the Bible.

The club sets time aside for enjoying refreshments, and trading, selling and auctions, visiting friends and welcoming new members and guests. Special welcome is made to junior members who usually are children or friends of members and hopefully this will promote collectors in the next generation. - **Pauline Copelin, Sec.**

Steve Pecora selected the Buffalo (Bison) nickel as his topic for a program at the meeting of **Greater Port Arthur Coin Club.** Steve explained that the designer James F. Fraser employed three Indians - Chief Two Moons, Chief Iron Tail, Chief Big Tree - as models. The bison was modeled after "Black Diamond" in the New York Zoological Gardens. Fraser placed his initial "F" beneath the date. He went on to say that the 1913 Type I nickel was on a mound, the Indians believed that this symbol would help bring back the bison.

Unfortunately, the Type I nickels would not stack properly due to the high relief of the coin. The dies were modified later in 1913. Steve said that there were 68 varieties of the nickels including the 1916 doubled die obverse, the 1918/17D (most expensive) and the 1937D 3-legged variety.

During the business session, it was announced that the 1984 coin show would be held at the OCAW Hall on March 10-11. Winning door prizes were Kaye Brown, Gabby Rojo, Joe Scott, John Brown and Ben Stein. George May led the auction. - **William H. Stein, Sec.**

Sincerely Yours

Dear Members:

Please remember that I am posting this letter in October 1983.

For the past few months, I have felt as if the Kennadys were suspended in space - illness can do just that. I am convinced that without the love and friendship the membership gave us during Mac's illness, our suspension would still be somewhere in space. Thank you for your concern. Mac is back at work now. So many of the membership have been seriously ill and I look forward to seeing complete recoveries at the 1984 TNA convention.

As TNA secretary it becomes my duty to inform you that dues notices have been mailed out. Please pay promptly as this will lighten the work load, and keep TNA solvent. Don't forget to send in your change of address if you have moved.

And TNA needs new members. **Just think** - if each of you signed up one new member it would give the membership that extra boost our organization is always in need of.

And remember coin collecting is not just "money" - it is an investment, a wonderful hobby and a pathway to good friendships.

Sincerely yours,
Eleanor Kennady

DID YOU KNOW? Composer Stephen Foster died at age 38 in a New York City Bowery flophouse with a penny in his pocket for every year of his life - 38 cents.

NEW PRINTING OF "PHOTOGRADE"

A brand new printing, with some revisions, of **PHOTOGRADE** has been released by Bowers & Marena Galleries. Copies are available from local coin dealers or directly from the publishers, Bowers & Merena Galleries, Box 1224-NR, Wolfeboro, NH 03894.

First released in 1970, the book in 1972 was designated as an official grading guide by the American Numismatic Association. By means of clear photographic illustrations various types of coins from the 1790s onward are described in grades from About Good to Uncirculated. A commentary delineates Uncirculated grades such as Uncirculated, Select Uncirculated, Choic Uncirculated, etc., with a handy cross-index to the Sheldon System of numbers (AU-55, MS-60, etc.).

In addition to containing hundreds of photographs and descriptions, **PHOTOGRADE** discusses many other subjects - such as split grades, color of a coin's surface, die breaks, counterfeit coins, and even coin cleaning. It is literally a compact "numismatic library."

COLLECTIONS WANTED

We are actively seeking collections–USA, Mexico and Latin American. Any size. If you are seriously thinking of selling your collection, we will either buy outright, trade for bullion coins, or handle thru one of our auctions–whichever will bring you the best price for your collection. We will also consider individual rarities, especially in gold or silver.

If interested, please contact Dr. George Vogt. We are also interested in servicing your want list.
